Ventana de Inicio

Ventana de Login

A hand-drawn illustration of a web browser window titled "localhost:8080/ login". The browser's address bar contains the URL and navigation icons (back, forward, stop, home) and a search icon. Below the browser window, there is a horizontal menu with five colored buttons: "registro" (orange, folder icon), "iniciar compra" (green, first aid kit icon), "contacto" (blue, telephone icon), "login" (purple, person icon), and "informacion" (yellow, information icon). Below this menu, the login form is displayed. It features a purple square button with a white person icon on the left. To its right are two light gray input fields labeled "nombre de usuario" and "password". At the bottom of the form are two green buttons: "ingresar" and "volver a principal". The entire interface is set against a gray background with a light gray footer bar at the bottom right corner.
